Building Healthy Churches

November 21, 2024

Subject: The Official Letter from the Desk of President-Elect

Dear Berean Pastors and Churches,

Greetings in the name of our Lord and Savior, Jesus Christ! I am deeply humbled and honored to begin my service as the President of the Berean Congress of Christian Education. As we prepare for the year 2025, I am thrilled to share our theme: "**Bridging Generations: Learning and Growing in Christ Together.**"

This focus emphasizes the importance of unity and spiritual growth across all generations within our churches. Together, we will work to deepen our knowledge of Christ and strengthen the bonds that connect us as one body in Him.

To further this mission, I am calling on each Berean church to participate in the upcoming educational initiatives. We are excited to offer classes through the **Capers, Robinson, and Daniels Christian Leadership School**. I encourage you to register your church and invite your members, both young and seasoned—to join us in this transformative experience in January and February 2025.

You will soon receive a letter from our Interim Dean, **Janice Johnson-Scott**, introducing herself and providing additional details about the school. Please be on the lookout for her communication.

Additionally, I am pleased to announce our **Pre-Registration Meet and Greet Day** on **Saturday, December 7, 2024, from 4:00 PM to 6:00 PM** at **Second Arnold Baptist Church, 1427 East 37th Street**. This will be a wonderful opportunity to connect, learn more about the programs, and pre-register for the Christian Leadership School in person with our Registration Team.

I am sincerely grateful for the trust you have placed in me to lead this Congress. With your prayers and support, I am confident we will accomplish great things together for His glory. Let us unite as we embark on this journey of learning, growing, and bridging generations in Christ.

Yours in His service,

Reverend Johnnie M. Perkins, II, **President-Elect**
Berean Congress of Christian Education
